

UNIFORMED SERVICES UNIVERSITY OF THE HEALTH SCIENCES JOURNAL

2001 EDITION

TABLE OF CONTENTS

I.	The Uniformed Services University of the Health Sciences	i-vii
II.	The F. Edward Hébert School of Medicine	viii-xiii
III.	The Graduate School of Nursing	xiv-xviii
IV.	Graduate Education Programs	xix-xxi
V.	Graduate Medical Education	xxii-xxiii
VI.	The Office of Continuing Education for Health Professionals	xxiv-xxv
VII.	The Armed Forces Radiobiology Research Institute	xxvi-xxvii

APPENDIX A. **Department of Defense Directive 5105.45**
Charter of the USU Board of Regents
ByLaws of the USU Board of Regents
Charter of the USU Executive Committee

APPENDIX B. **USU Strategic Plan**

APPENDIX C. **Selected Examples of Billed and Off-Campus Members
of USU Departments and Programs and Department Activities
Receiving Special Recognition During 2001**

TABLE OF CONTENTS	Page
I. THE UNIFORMED SERVICES UNIVERSITY OF THE HEALTH SCIENCES (USU)	1-102
Establishment, Development, and Governance	1-4
The Uniformed Services Health Professions Revitalization Act of 1972 Establishes the University	1
Collaborative Efforts by the Joint Services and Civilian Medical Communities in the Development of the University	1
DoD Directive 5105.45	2
Board of Regents Charter	2
USU - The 1998 Defense Reform Initiative	2
The Establishment of the USU Executive Committee	3
A Strengthened Relationship Between USU and DoD	3-4
USU Board of Regents	5-9
Membership of the Board of Regents	5-6
- Recently Appointed Chair	5
- Ex Officio Members of the Board	5-6
The Board's Significant Role in Academic Affairs	6-7
The Board of Regents' Mission and Responsibilities	7
The Board's Fifth Report to the Secretary of Defense	7-9
Strategic Planning	10-22
A Perpetual Work-In-Progress	10-11
Progress Toward Achieving the University's Seven Strategic Goals in 2001	11-22
Goal 1: We Will Enhance the Reputation of USU as a Premier Health Sciences Academic Institution with a Unique Global and Military Perspective	11-14
Goal 2: We Will Anticipate Changes in Society, Medicine and the Military to Meet the Academic and Unique Needs of Health Care Delivery in the MHS	14-15
Goal 3: We Will Optimize Resources to Efficiently and Effectively Implement USU Core Capabilities	15-16
Goal 4: We Will Build a Sustaining Financial Base	16-17
Goal 5: We Will Optimize our Role in Military and Federal Medical Education and Research	17-18

Goal 6: We Will Create a Powerful, Committed and Energized University Family	18-20
Goal 7: We Will Effectively Communicate the Right Information to The Right People at the Right Time	20-22
Relevance - Mission Accomplishment	23-24
USU Graduates Provide Continuity, Leadership, and Ensure Medical Readiness	
- The School of Medicine	23-24
- The Graduate School of Nursing	24
Accreditation	25-26
The Middle States Association of Colleges and Schools	
25-26	
Fourteen Accrediting Entities Ensure that Educational Standards Are Met by the University	
26	
Optimization	- OSD Recognition of USU's Multiple Products
- The Joint Meritorious Unit Award	
- The Generation of Cost-Avoidance	27-30
OSD-Conducted Surveys Recognize USU's Academic Certification and Faculty Credentials	
27-28	
- The Office of the Chancellor for Education and Professional Development	27-28
Joint Meritorious Unit Award	
28	
Multiple Products and Services Generate Cost-Avoidance for the Military Health System	
28-30	
Academic Center for the Military Health System	
31-37	
Active Duty, Off-Campus USU Faculty Total 2,647	
31	
Fifteenth Conference on Military Medicine - A Challenge to Readiness: Maintaining Currency in Military Medical Education	
31-34	
- Continuing Medical and Nursing Education	32
- Conference Focus - Topics - Panels	32
- Summary of Educational Recommendations	32-34
Planning for Biological Events: Responses to Terrorism and Infectious Disease Outbreaks - A Three-Day Conference	
35-36	
Fifth International Conference on Tactical Emergency Medical Support, "TEMS 2001: A Medical Odyssey"	
36-37	
USU Center Sponsors Three-Day Pre-Conference Symposium at the 59th Annual Conference of the United States - Mexico Border Health Association	
37	

Organizational Culture	38-57
Continuous Efforts to Ensure a Diverse Community that Is Powerful, Committed, and Energized	38
Communicating Equal Opportunity Principles and Appreciation of Diversity	38-39
- 530 USU Personnel Attend Three Community Sessions	38
- Student Professional Activities and Meetings	39
- Provision of Formal and Informal Counseling	39
- Faculty Senate Outreach Program for Working Mothers	39
Timely Sharing of Information	40-41
- The USU Web is Used to Provide Information throughout the USU Community	40
- The 2000 Edition of the USU Journal	40
- USU Orientation Program	40
- USU Web Presents Faculty Handbook	40
- USU Development Program	41
Personal Development and Retention	41-44
- Individual Recognition	41
- Outstanding Employee with Disabilities	42
- Communication of Accomplishments	42
- Training Opportunities Provided to USU Employees	42
- USU Faculty Attend Development Courses and Seminars	43
- OSD Confirmation of USU Title 10 Authority	43
- Legislative Language Removes the Limits of Executive Level IV for the Annual Rate of Basic Pay	43
- USU Administratively Determined Salary Schedules Are Approved	43-44
University Recruitment and Diversity Affairs	44-48
- Office of University Recruitment and Diversity Affairs	44
- Institutional Role Model for Minority Recruitment and Retention	45
- USU Liaison Program	45
- Provision of USU Recruitment Materials	45
- Joint Recruitment Venture with HPSP Recruiters	46
- Participation in USU Biomedical Research, Medical Education, and Clinical Operations	46
- Electronic Recruitment	46
- USU Preparatory Program	47
- Community Involvement and Student Support Programs	47
- The Helping Hands Project	48
The Office of the Brigade Commander	49-53
- A Multi-Service Environment	49
- Establishment of the Office of the USU Chaplain	49-50
- Development of International Relationships	50
- Assurance of Operational Skills	50-51
- Orientation Responsibilities	51

-	Recruitment Efforts for Underrepresented Communities	51
-	USU Color Guard	51-52
-	Officer Indoctrination Training of USU Matriculants	52
	 USU Exceeds Established Goals for the Combined Federal Campaign	52-53
	 The Year 2001 Curreri Award	53-54
-	Background	53
-	Frederic G. Sanford, M.D., RADM, MC, USN (Retired), Receives the 2001 Curreri Award	53-54
	 The 2001 Packard Lecture	54-55
-	Background	54-55
-	The 2001 David Packard Lecture Features Wayne Hockmeyer, Ph.D., COL, MSC, USA (Retired)	55
	 The 2001 USU Faculty Senate Research Day and Eighth Graduate Student Colloquium - Emerging Research Technologies	56-57
-	Roy Curtiss III, Ph.D., George William and Irene Koechig Freiberg Professor of Biology, Washington University, St. Louis, Missouri, Presents the 2001 John W. Bullard Lecture	57
	 Teaching and Research Support	58-92
	Re-Designation of Support Activities	58
	The Audio Visual Support Center	58-59
-	Archive for Historical Images	59
	Center for Multidisciplinary Services	59-60
-	On-Going Renovation and Upgrades in Support of the Teaching Mission	59
-	Conformity of Design	59
-	Renovation Efforts Are Completed in the Anatomical Teaching Laboratory	60
-	Computer Upgrades for the Teaching Laboratories	60
	 The Learning Resource Center - Globally Available	61-64
-	World-Wide Access for Health Sciences Information	61
-	Reliability and User-Friendly Access	61-62
-	Internet Information Resources During 2001	62-63
-	Supplementing the Internet Resources	63
-	Partnership for Peace Information Management Systems	63
-	Support to Other Military Medical Libraries and Institutions	64

Informatics - An Expanding and Essential Component of Education in the Health Sciences	65-72
- Background	65
- MedPix, An Internet Teaching File for the Health Sciences	65-66
- Compact Disc Provides Cost-Effective Assistance	66
- <i>eMedicine.com</i> - USU Faculty Help to Revolutionize Medical Textbook Publishing	66-67
- Telegenetics Web Site Assists with Genetics Education and Services for the DoD	67-68
- Innovative Web-Based Teleconferencing Sessions and Exercises	68
- The USU Clinical Simulator and Patient Simulator Laboratory Present Scenarios Applicable to Combat Casualty Care, Anesthesia, Critical Care, Trauma, and Emergency Medicine	68-69
- A Multi-Disciplinary Approach for Teaching Responses to Weapons of Mass Destruction and Terrorism	69-70
- Virtual Reality Telepresence Surgery System	70
- Establishment of a Center for Informatics in Medicine	70-71
- The Department of Biomedical Informatics	71-72
 National Capital Area Medical Simulation Center	73-77
- Background	73-74
- Educational Activities	74
- Multi-Simulation Techniques Under One Roof	74-75
- The Administrative Area	75
- The Clinical Assessment Laboratory	75-76
- The Computer Laboratory	76
- The Surgical Simulation Laboratory	76-77
 Research Administration	78-82
- Background	78-79
- USU Researchers Investigate Diseases of Special Interest to the Military	79
- USU Research and Combat Casualty Care	79-80
- USU Research Augments Military Operational Medicine	80
- Enhancement of Administrative Services	80-81
- Institutional Review Board	81-82
- A Separate IRB Is Approved for the Military Cancer Institute	82
 USU Center for Laboratory Animal Medicine, Veterinary Surgery Division	82-83
- Background	83
- Current Activities	83
 USU Barrier Facility	83-84
Implementation of Safety Strategies	84-85
- Increase the Safety Consciousness and Wellness of The USU Community	84-85
- Reduction of EHS Oversight in Low Risk Areas	85
- Project an Image of Assistance	85

SOM Department of Psychiatry Sponsors a Collaborative Relationship with the Stanley Laboratory of Brain Research	86-87
- Background	86
- Current Activities	86-87
Information Technology	87-91
- Background	87-88
- Customer Support.....	88
- Desktop Computers	88
- Helpdesk	89
- Software Development	89
- Web Support.....	89-90
- Web Development	90
- Training	90
- System Operations.....	90
- Network	90
- Telecommunications	90-91
- Netware	91
- VAX	91
Technology Transfer Program	91-92
- Background	91-92
- Current Activities	92
Resource Stewardship	93-102
New Construction on the USU Campus	93-95
- Background	93-94
- BUMED Study Validates the Proposed Construction	94
- Scope of the Construction Project	95
- Preliminary Studies Required for the USU MILCON Project Are Completed	95
- Funding for the USU Construction	95
Navy Base Allocation of Space to USU	95-98
- Memoranda of Understanding with NNMC Are Completed	96
- Building 53	96-97
- Building 59	97
- Building 79	97-98
- Building 28	98
- Building 139	98
Renovation/Replacement Projects	98-100
- Laboratory Renovations Throughout Buildings A, B, C, and D	98
- Renovated Space in Building 53	98-99
- Heating/Ventilation/Air Conditioning (HVAC) Replacement Project	99

-	Anatomical Teaching Laboratory Renovation Efforts	99
-	Plaza and Elevator Repair	99-100
	Resource Management Programs	100-102
-	Background	100
-	Financial & Manpower Management (FMG).....	100-101
-	Contracting Activities	101
-	Grants Management	101-102
-	Resource Management Information	102

II. THE F. EDWARD HÉBERT SCHOOL OF MEDICINE	103-218
Establishment	103-104
Background	103
USU's First Academic Program	104
Mission	105-113
Consistent Mission Direction Focused on Readiness	105-106
- Strategic Planning	105-106
- Internal and External Departmental Review Process	106
Mission Accomplishment - SOM Graduates Provide Continuity and Leadership for Military Medicine	107-113
- Retention of SOM Alumni and Unique Training Ensures Continuity for Lessons Learned in Military Medicine	107-108
- SOM Graduates Present Clinical Skills Required for MHS Residency Programs	108-109
- Operational Assignments, Leadership Positions, and Unique Understanding of Military Medicine Are Substantiated	110-111
- The USU SOM Selection Process Ensures Commitment and Exemplary Retention Rates	112-113
Accreditation	114-117
Early Coordination with the Liaison Committee on Medical Education	114
SOM Program Accreditation	114-117
- Background	114-115
- LCME Self-Study and Site Visit - 1999	115
- Excerpts from the Summary of the LCME Full Accreditation Report as Provided in the USU Board of Regents 2000 Report to the Secretary of Defense	115-116
- Additional Accrediting Entities Provide Quality Assurance	117
Military Unique Curriculum	118-136
General Overview	118-119
First Year Curriculum	120-122
- Background	120
- Overview of Military Studies	120
- Operation Kerkesner	120-121

-	Non-Medical Operational Assignments	121
-	Special Programs in Operational Medicine Offered by the Casualty Care Research Center	122
	Second Year Curriculum.....	123-124
-	Extensive Hours of Preventive Medicine Training	123
-	Military Studies	123
-	Second Year Medical Ethics Course	123-124
	Third Year Curriculum	125-130
-	Overview	125
-	Clerkships Represent the Entire Spectrum of the MHS	125-126
-	The Department of Obstetrics and Gynecology Successfully Utilizes Standardized Patients to Assure Mastery of Required Knowledge, Skills, and Professional Behaviors	126
-	An Innovative Clinical Clerkship Management Tool Utilizing Palm-Type, Hand-Held Computer Devices	126-127
-	Pediatric Clinical Rotation - Exceptional Family Member Program	127
-	Pediatric Cardiology Module - Cardiac Auscultation at the Simulation Center	127-128
-	Patient Simulation Laboratory - A Collaborative Effort	128-130
-	Simulation Center Introduction to Surgery Rotation	130
	Fourth Year Curriculum	131-132
-	Overview	131
-	Military Medicine	131
-	Operation Bushmaster	131-132
-	Emergency Medicine Clerkship	132
-	Operational Electives	132
	USU SOM Curriculum Stresses a Military Focus	132
	Curriculum Renewal	133-135
-	Background	133
-	The Renewal Process	133-134
-	SOM Executive Committee on Curriculum	134-135
-	Center for the Enhancement of Healthcare Training and Outcomes	135
	Departmental Review	136
	Student Affairs	137-140
	Class of 2005	137
	The Office of Student Affairs	137-139
-	Structured Interviews for the First Year Class	137-138
-	Sponsor Program	138

-	USMLE Step 1 Preparation	138
-	Third-Year Clerkship Scheduling	138
-	Graduate Medical Education Planning Interviews	138-139
-	Graduate Medical Education Selection Board	139
	The USU Military Medical Student Association	139
	USU Students Appointed on Liaison Panels	139-140
Achievements of the SOM Alumni	141-159	
	General Overview	142-143
	School of Medicine Recognized by the American Academy of Family Physicians	143
	Second USU Alumni Is Promoted to O-7	143
	USU Alumni Earn Promotions to O-6	143-144
	USU SOM Graduates Hold Leadership Roles and Earn Special Recognition throughout the Uniformed Services	144-155
-	Selected Examples from the USU SOM Alumni	144-155
	Selected Profiles of USU SOM Graduates	156-159
-	Brigadier General William Fox, Jr., MC, USA, USU SOM Class of 1981	156
-	Lieutenant Colonel Paul Mongan, MC, USA, USU SOM Class of 1987	156
-	Lieutenant Stewart Kerr, MC, USN, USU SOM Class of 1998	157
-	Major Lisa Desvigne, USAF, MC, USU SOM Class of 1989	158
-	Colonel Bryon Hepburn, USAF, MC, USU SOM Class of 1987	158
-	Captain Scott R. Lillibridge, M.D., USPHS, Class of 1981	159
Faculty of the School of Medicine	160-172	
	Composition	160
	School of Medicine Clinical and Consultative Services Generate an Estimated \$9.1 Million in Cost Avoidance for DoD in Fiscal Year 2001	160
	USU SOM Faculty Achieve National and International Recognition	160-161
	Collaborative Efforts	161-163
-	Teaching	161
-	New Department of Anatomy, Physiology and Genetics	161-162
-	Interdisciplinary Research Programs	162-163
	Selected Profiles of USU School of Medicine Faculty	164-172

Research Centers and Programs	173-218
Research Is Directed Toward Military Requirements	173
USU School of Medicine Department of Psychiatry and the Center for the Study of Traumatic Stress	174-179
- Establishment	174-175
- Mission	175
- Core Military Competency	175
- Response on September 11, 2001	175-176
- National and International Recognition of the Center's Leadership	176
- Areas of Study	176-177
- Focus of the Center's Nine Laboratories	177
- Scope of Research/Consultative Efforts	177
- Fellowship Programs	177
- Educational Activities	178
- Preservation of Lessons Learned	178
- Accomplishments of the Center's Family Violence and Trauma Project	178-179
- The Center Is Positioned to Respond to Future Requirements of the Military Health System	179
The USU School of Medicine Department of Preventive Medicine and Biometrics, Graduate Education in Preventive Medicine and Public Health, and the Centers for Preventive Medicine and Public Health	180-196
Graduate Education in Preventive Medicine and Public Health	180-183
- Outstanding Responsiveness to the Continuing Medical Education Requirements of the TriServices	181-183
- A New Ph.D. Program in Environmental Health Sciences	181
- The Occupational Ergonomics Concentration in the PMB Master of Public Health Program	181
- The TriService Advanced Military Tropical Medicine Course	181-182
- The Tropical Medicine and Travelers' Health Course	182
- The Diagnostic Parasitology Course	182
- Medical Executive Skills Training	182
- The PMB Laboratory Animal Medicine Residency Program	183
Centers for Preventive Medicine and Public Health	184-196
- The Center for Application of Remote Sensing and Geographic Information Systems in Public Health (Landscape Epidemiology)	185-186
- The Center for Environmental and Occupational Health	186-188
- The Center for Ergonomics and Workplace Health	188-189
- The Center for Force Health Protection Studies	189-190
- The Center for Foreign Area Medical Studies	191-192
- The Center for Population Health	192-193
- The Center for Military Medical Analysis and Projection	193-195
- The Center for Oral Health Studies	196

USU School of Medicine Department of Military and Emergency Medicine and the Casualty Care Research Center	197-200
- Establishment and Mission	197
- Core Military Competency	197
- Contributions to Homeland Security - The Integrated Medical Response Program	197-198
- Weapons of Mass Destruction Scientific Training Programs	199
- The Wound Data and Munitions Effectiveness Team (Vietnam) Database (WDMET) - A Unique Resource	199
- CCRC Mission Support Center - Consultative Support	199
- CCRC Emergency Medicine Resident Rotation	199
- CCRC Military Medical Field Studies Rotation	200
USU School of Medicine Department of Military and Emergency Medicine and the Center for Disaster and Humanitarian Assistance Medicine	201-206
- Establishment and Mission	201
- Research and Operations	201-202
- Telemedicine Operations and Technology Cell	202-203
- Training	204
- CDHAM Consultative Support	205
- Other Activities and Relationships	205-206
USU School of Medicine Department of Surgery and the Center for Prostate Disease Research - A TriService Effort	207-209
- Background	207
- Mission	207
- Center Activities During 2001	207-209
USU School of Medicine Department of Pediatrics and the Center for Pediatric Molecular Medicine	210
- Background	210
- Current Activities	210
The Establishment of the United States Military Cancer Institute at the University	211-213
- Background/Organization	211
- Mission	211
- Benefits of the Cancer Institute	212
- Achievements of the Institute	212-213
USU Establishes an Interdepartmental Center for Space Medicine	214-215
- Background and Establishment	214-215
- Mission and Leadership	215
- Information Transfer	215
- Future Educational Activities	215

The TriService Nursing Research Program - A Joint Program Under the Leadership of the Chief of the Army Nurse Corps and the Directors of the Navy and Air Force Nurse Corps	216-218
- Background	216
- Mission	216
- Resource Center for Excellence in Military Nursing	216-217
- Investigator Initiated Grant Awards	217
- Special Requests for Applications	217
- Dissemination of Findings	217-218
- Future Direction	218

III. THE GRADUATE SCHOOL OF NURSING	219-271
Establishment	219-220
Legislative and DoD Direction	219-220
GSN Meets Legislative and DoD Mandates	220
Mission	220-222
Mission Direction	221
Mission Accomplishment	221
GSN Nursing Philosophy	221-222
Accreditation	223-226
Accreditation Granted by the National League for Nursing Accrediting Commission	223-224
- Background	223
- Site Visit and Final Report of the NLNAC Site Surveyors	223
- Notification of Maximum Accreditation	224
Accreditation Granted by the Commission on Collegiate Nursing Education	224-226
- Background	224
- Site Visit and Final Report of the CCNE Evaluation Team	224-225
- CCNE Evaluation Team Process	225
- Notification of Maximum Accreditation	226
Accreditation Granted by the Council on Accreditation of Nurse Anesthesia Educational Programs	226
Establishment of an Honor Society of Nursing at USU	226
Military Unique Curricula.....	227-229
The GSN Curricula Responds to the Special Needs of the Uniformed Services	227-228
- Development of a Clinical Nurse Specialist Program	227-228
Advanced Nursing Education in a Joint Service Environment	228
GSN Students Understand the Structure of a Joint Environment	228-229
Medical Readiness Training	229
Student Affairs	230-233
The Selection Process	230-231

Class of 2003	231
- Response of GSN Students Following the Terrorist Attacks of September 11, 2001	231
Development and Functions of the Student Advisory Council - A Strong Avenue of Communication	232-233
- Background	232
- Composition	232
- Functions of the Council	232-233
GSN Alumni	234-237
Graduate Profile	234-235
- GSN Class of 1998	235
- GSN Class of 2001	235
GSN Class of 2001 Outstanding Student Awards	236-237
- Department of Nurse Practitioners Outstanding Student Award	236
- Department of Nurse Practitioners Academic Performance Award	236
- Department of Nurse Practitioners Distinguished Clinical Performance Award	236
- Department of Nurse Practitioners Esprit de Corps Award	236
- Department of Nurse Anesthesia Presents the Agatha Hodgins Award	236
- Department of Nurse Anesthesia Esprit de Corps Award	236
- Dean's Awards for Research Excellence	237
- First Year Outstanding Student Awards	237
- Two GSN Graduates Are Recognized by Who's Who Among Students in American Universities and Colleges	237
Faculty	238-242
Composition	238
Selected Profiles of Graduate School of Nursing Faculty	238-242
- GSN Dean Is Recognized for Advancing the Field of Women's Health Care	238-239
- Outstanding Uniformed Faculty Award	239
- Outstanding Civilian Faculty Award	239
- GSN Associate Dean Serves as the Ethics Consultant to the Air Force Surgeon General	239
- Nursing Residents Rescued Through the Heroism of GSN Faculty Members	240
- Department Chair Uses Both Qualitative and Quantitative Approaches in Research Projects	240
- GSN Faculty Member Is a Co-Investigator on Two Studies Funded by the TriService Nursing Research Program	240-241
- GSN Professor Inducted as an Honorary Member of the International Honor Society of Nursing	241

-	A New Chair Is Selected for the Department of Nurse Anesthesia	241
-	The GSN Selects Faculty Member as the New Chair for the Department of Nurse Practitioners	241
-	GSN Is Assigned Its First Full Time Commandant	241-242
-	Chair of the GSN Faculty Council Provides Faculty Representation and Performs Heroic Services at the Maryland Campus	242
-	Faculty of the Department of Nurse Practitioners Are Published in a Wide Variety of Journals	242
The Department of Nurse Practitioners	243-247	
Background	243	
Composition of the Department of Nurse Practitioners	243-245	
-	Master of Science in Nursing Family Nurse Practitioner Program	243-244
-	Simulated Patient Experiences	244
-	Post-Master Family Nurse Practitioner Certificate Program	244
-	Distance Learning VA/DoD Post-Master Adult Nurse Practitioner Certificate Program	244-245
The Establishment of a University Distant Education Policy	245	
Outcome Goals of the Department of Nurse Practitioners	245-246	
Clinical Sites at 15 Military Health Care Centers	246-247	
2000-2001 Program Review and Assessment	247	
-	Program Assessment	247
The Department of Nurse Anesthesia	248-254	
Background	248	
Composition of the Department of Nurse Anesthesia	248-249	
Outcome Goals of the Certified Registered Nurse Anesthesia Program	249	
Clinical Training at Military Health Care Centers	249-250	
Program Review	250-253	
-	Program Evaluation and Administrative Structure	250
-	Program Length.....	250
-	Curriculum Assessment and Enhancement	251-252
-	Program Leadership	252
-	Communication	252-253

Scholarly Project	253
- Poster Presentations at the 68th Annual Meeting of the American Association of Nurse Anesthetists	253
Innovative Teaching of Traditional Nurse Anesthesia Topics	254
The Department of Nursing Research.....	255-261
Background and Mission	255
- Guidance and Individual Support for Scholarly Projects	255
- Course Instruction	255
- Assistance with Distance Learning Efforts	255
- Implementation and Analysis of Outcome Assessment Processes	255
- Preparation of Two Self-Study Reports for the NLNAC and the CCNE	255
Composition of the Department of Nursing Research	256
The Electronic Military/Uniformed Services Nursing Research Data Base - A Collaborative Effort	256
- Background	256
- Global Access	256
Alumni Assessment/Survey Process for Outcome Evaluations of the Nurse Practitioner and the Certified Registered Nurse Anesthesia Programs Receives Strong Endorsements from the NLNAC and the CCNE Evaluation Teams	257-259
- Patterns of Strength (NLNAC Findings).....	257
- Educational Effectiveness (NLNAC Findings)	257
- Program Effectiveness - Student Performance and Faculty Accomplishments (CCNE Findings)	258-259
Implementation of Revised Alumni Survey Instruments	260
Supervisor's Evaluations of GSN Alumni	260
Evaluations of GSN Alumni	260-261
Changes Based on Alumni Survey Responses	261
Future Direction of Alumni and Supervisor Surveys	261
The GSN and Distance Learning.....	262-271
The Adult Nurse Practitioner Post-Master Program - The Department of Veterans Affairs/ Department of Defense Distance Learning Program	262-271
- Background	263
- The Restructuring of the Department of Veterans Affairs Health Care System Called for an Increase in the Number of Nurse Practitioners	264-265

-	The Department of Veterans Affairs and the USUHS Graduate School of Nursing, Department of Defense, Form a Partnership	265-266
-	Phase I - The Pilot Project Test Class	266-267
-	Phase II - The Twenty-Month Distance Learning Program - Curriculum and Faculty	267-268
-	Technology Used in the Distance Learning Program	269
-	The First Advanced-Level Virtual Graduation in the Department of Veterans Affairs and the Department of Defense	269
-	Summary of the First Graduating Class - A Successful Collaborative Effort	269-270
-	From Concept to Graduation	270
-	Curriculum and Technology Changes for the Second Class	270
-	The Second Advanced-Level Virtual Graduation and the Third Distance Learning Class	270-271

IV. GRADUATE EDUCATION PROGRAMS	272-302
Establishment	272-273
The Uniformed Services Health Professions Revitalization Act (Public Law 92-426) Established the University in 1972 and Directed the Establishment of Graduate Education Programs 272	
The Establishment of the Office of the Associate Dean for Graduate Education 272-273	
Graduate Education Programs Provided at USU 273	
Mission	274-279
Mission Direction Calls for the Development of Graduate Education Programs 274	
Graduate Programs Benefit the Military Health System 274	
Responsiveness to the Needs of the Services 274-279	
- Master of Military Medical History	274-275
- The Graduate Program in Clinical Psychology Trains Clinical Psychologists to Serve in the Uniformed Services	275
- Masters and Doctoral Programs in Operationally-Oriented Applied Human Biology	275
- Three Interdisciplinary Research Programs Relevant to the Needs of the Uniformed Services	276
- The Interdisciplinary Graduate Program in Emerging Infectious Diseases	277-278
- Graduate Education Programs in Preventive Medicine Address the Special Needs of the Military Health System	278-279
Academic Requirements and Accreditation	280-282
Academic Excellence and Uniformity Ensure Accreditation 280	
The Graduate Education Committee and Department Reviews Ensure the Quality of the Programs 280-281	
Accreditation of USU Graduate Programs in Public Health Is Extended through December 31, 2003 281-282	
Clinical Psychology Program Receives Accreditation 282	
Academic Resource for the Uniformed Services	283-285
The Development of Independent Scholarship 283	
Research Day and the Graduate Student Colloquium 283-284	
The Faculty of the Graduate Education Programs Ensure an Individualized Program Built on Quality Research and Instruction 284-285	

Research Facilities Are Well Equipped and Support the Graduate Education Programs	285
Student Affairs	286-296
Selection of Students	286
Demographics and Qualifications of the Student Body	286-287
22nd Commencement - May 19, 2001	287
- The USU Graduate Education Programs Have Granted a Total of 678 Degrees (as of April, 2002)	287
- The 2001 Graduate Student Award	287
- The Henry M. Jackson Foundation Fellowship in Medical Sciences Award	287
The University Has Granted a Total of 26 Honorary Degrees Since its Establishment	288-290
Three Honorary Degrees Recognized During the 2001 Commencement Ceremonies	290-292
- The Honorable Robert J. Dole, Former United States Senator from Kansas and the Senate Majority Leader	290-291
- Val G. Hemming, M.D., Professor and Dean, USU School of Medicine	291
- The Honorable Theodore F. Stevens, United States Senator from Alaska and Chairman of the Senate Appropriations Committee	291-292
The University Medal	293-295
- Background	293
- University Medal Recipients During 2001	294-295
- Lieutenant Colonel Yvonne Andejeski, MC, USA, USU SOM Class of 1983	294
- Gerald W. Fischer, M.D., Colonel, MC, USA (Retired)	294
- Connie Mariano, Rear Admiral, MC, USN, USU SOM Class of 1981	294
- Michael N. Sheridan, Ph.D., USU SOM Associate Dean for Graduate Education	294
- Craig Llewellyn, M.D., Professor and Chair, Department of Military and Emergency Medicine	295
- Norman M. Rich, M.D., Professor and Chair, Department of Surgery	295
The Carol Johns, M.D., Medal	295-296
- Background	295
- Louis Pangaro, M.D., Colonel, MC, USA (Retired)	295-296
2001 School of Medicine Biomedical Graduate Educator Award	296
- Michael N. Sheridan, Ph.D., Professor and Associate Dean for Graduate Education	296

Alumni Affairs	297-302
Selected Profiles of Graduates from the Graduate Education Programs	297-302
- Classes of 1981 through 1998	297-302

V. GRADUATE MEDICAL EDUCATION	303-312
Establishment	303-304
Background - Graduate Medical Education Programs in the Military Health System	303
The USU School of Medicine Office of Graduate Medical Education	304
Mission	304-305
USU Office of Graduate Medical Education Serves as a Significant Academic Component for Graduate Medical Education in the Military Health System.....	304
USU Graduate Medical Education Office Assists in the Coordination of Simulated Training for the National Capital Consortium	304-305
- Simulated Operating Rooms for Specific Specialties Are Available on the Main USU Campus	304-305
- The National Capital Area Medical Simulation Center Offers State-of-the-Art Simulated Training	305
Policy for Military Unique Training in DoD-Sponsored Graduate Medical Education Programs .	306-307
Graduate Medical Education Policy Is Issued by the Assistant Secretary of Defense for Health Affairs on June 28, 1999	306-307
- Each Program Must Include a Military Unique Curriculum which Is Standardized and Specialty Specific	306-307
- USU School of Medicine Office of Graduate Medical Education Coordinates the Development of Curricula	307
National Capital Consortium	308-312
Mission of the National Capital Consortium	308
Accreditation	308-309
Development of the National Capital Consortium	309
As of December 31, 2001, 55 Integrated GME Programs are under the National Capital Consortium	310
National Capital Consortium Academic Achievements (2000-2001)	310-312
- Residents of the Pediatric NCC Fellowship Training Programs and the USU SOM Center for Pediatric Molecular Medicine	310-311
- NCC Residents and Staff Are Selected for Podium Presentations during the Associates Competition at the National American College of Physicians-American Society of Internal Medicine	311

-	Residents in the NCC Surgery Training Programs Win Significant Recognition	312
-	NCC Proposal to Develop a Child and Adolescent Forensic Psychiatry Track Wins ACGME Acceptance	312
-	USU SOM Class of 1999 Alumni Is the First Recipient of the Sherry K. Henderson Award for Excellence in Clinical Communication	312

VI. THE OFFICE OF CONTINUING EDUCATION FOR HEALTH PROFESSIONALS 313-322

Mission 313-315

USU is Mandated by Congress to Provide Continuing Education for Health Professionals 313

Six Factors Mandate Continuing Education for Health Professionals' Essential Role in Today's Military Health System 314

Continuing Education for Health Professionals Must Ensure Academic Involvement in all Phases of Educational Activities Designated for Credit 314-315

Nationally Recognized Continuing Education Credit 316

Unique Accreditation Within the Military Health System 316

The Continuing Health Education Committee 316

Increased Support for the Military Health System 317-319

Continuing Education for Health Professionals Support for Graduate Medical Education Programs 317

Continuing Education for Health Professionals Support for TRICARE/Health Affairs Initiatives 317

Specialty and Review Courses for the Military Health System 317-318

- Medical Readiness - The Military Medical Humanitarian Assistance Course 317

- Scientific, Domestic and International Policy Challenges of Weapons of Mass Destruction and Terror, Part I and Part II 318

- Other Courses/Activities Sponsored by Continuing Education for Health Professionals During 2001 318

Association of Military Surgeons of the United States (AMSUS) Annual Meeting 319

Women's Memorial Health Seminars 319

Generated Cost Avoidance for DoD by the Office of Continuing Education for Health Professionals 320

Continuing Education for Health Professionals Generates Cost Avoidance for DoD (\$1,858,265) 320

Support for Other Federal Organizations 320

Department of State Programs 320

National Aeronautics and Space Administration Teleconference Continuing Education Series 320

Military Training Network	321-322
Mission	321
Background	321
Strategic Goals	321-322
World-Wide Capabilities Essential to Medical Readiness	322
Military Training Network Generates Estimated Savings for DoD (\$11,424,909)	322

VII. THE ARMED FORCES RADIobiology RESEARCH INSTITUTE	323-342
Relevance	323-326
Background	323
Governance	324
Mission	324-326
- A Unique Program	324-325
- Documented Relevance	325
- Response Agreements with the Office of the Secretary of Defense Confirm AFRRRI's Relevance to DoD	325
- March 2001 Technology Area Review and Assessment	326
Timeliness	327-329
An Impressive Response	327
AFRRI Fields Medical Training and Provides Rapid Response in Support of DoD Missions	328-329
- Medical Radiobiology Advisory Team	328
- October 2, 1999 Response to the Tokaimura Nuclear Criticality Accident in Japan	328
- August 14, 2000 Response Capability to the Accident of the Russian Submarine Kursk	328
- January 8, 2001 Response to a Request from the German Ministry of Defense	328
- Support to the Secretary of Defense	329
Scientific Merit	330-334
Internal and External Review Mechanisms Ensure Standards of Scientific Excellence	330-332
- Strategic Approach to Program Management	330
- A Three-Part Approach for Quality Assurance	331
- Part I - Program Planning	331
- Part II - Internal Annual Reviews	331
- Part III - Independent Peer Review	332
- Department of Radiobiology, School of Medicine	332
The Quality of AFRRI's Science Measures Well Against National Scientific Capabilities and Standards for Technical Merit	333-334
- March 2001 Technology Area Review and Assessment	333
- AFRRI Publications in Peer-Reviewed Journals	333
- Recent Endorsements of the Quality of the AFRRI Research Programs	333-334

Technical Quality	335-337
The Transition of New and Improved Medical Technologies	335
- Four Defense Technology Objectives (DTOs) Guide the Thrust of AFRRI's Research	335
- Four Research Thrusts	335-337
- The Radiation Casualty Management Team	335
- The Biological Dosimetry Team	335-336
- The Depleted Uranium Team	336
- The Nuclear, Biological, and Chemical Interactions and Countermeasures Team	337
Response to the Special Requirements of Medical Readiness	338-339
AFRRI Projects Address Requirements of Military Operations and Homeland Defense	338
Five Entities Provide Oversight and Review	338-339
- The AFRRI Board of Governors	338
- The United States Army Nuclear Chemical Agency	338
- The Medical Programs Sub-Panel of the Joint Service Integration Group under the Joint NBC Defense Board	339
- The Medical Force Protection Integrated Concept Team	339
- The Office of the Director, Defense Research and Engineering	339
Optimization of Future Operations	340-342
Resource Sharing Continues Between USU and AFRRI	340
- Continuation and Expansion of On-Going Cost-Avoidance Measures by USU and AFRRI	340
Necessary Steps Are Identified to Remedy Deficiencies in Resourcing	340-341
- Determination of Staffing/Funding Requirements	340
- One-Time Property Renovation Costs	341
AFRRI's Internal Response to Budget Deficiencies	341
- AFRRI's Internal Program Management	341
Product Transition	341-342
- Efforts by AFRRI to Obtain Higher Level Programmed Funding Lines	341
- Products Identified for Transition	342
